DIRECTORATE-GENERAL

CLIMATE ACTION

Directorate C - Innovation for a Low Carbon, Resilient Economy

CLIMA.C.1 - Low Carbon Solutions (I): Montreal Protocol, Clean Cooling & Heating, Digital Transition

### **EU License for trading Hydrofluorocarbons (HFCs) under the Montreal Protocol**

This is an extract from the EU Fgas Portal and HFC Licensing System, dated 27/05/2024 <sup>1</sup>

#### **Eurokommerz Handelsges.m.b.H**

ATEOS1000015125, Austria, Wien 1010, Jordangasse 7

has a valid registration in the Registry pursuant to Article 17 of the FGR as an

- Importer of HFC - precharged RAC(Refrigeration, Air Conditioning and Heatpump) equipment.

with the following FGAS ID Number: 82840

**The above undertaking is therefore licensed to import HFC-precharged RAC equipment.**

Please note, the company also requires:

- For importing HFC - precharged equipment: Sufficient authorisations in tonnes CO2 equivalent at the time of release of free circulation and a declaration of conformity.

**The company does not have any available authorisations at this time.**

Quota and authorisations amounts are accessible to EU custom authorities via the Fgas Portal & Licensing System (<https://fgas-licensing.ec.europa.eu/fgas>).

**This printout is for information purposes only. It does not constitute a proof that the licence is valid irrespective of the status indicated. Only the electronic version in the Fgas Portal & Licensing System is considered authentic.**

---

<sup>1</sup> If date is not recent, an updated printout may be demanded from the importer as the print out function from the electronic system is generally available at all times.
